Day 1 Toronto – Mont Tremblant

Early morning departure from Toronto to the picturesque Mont-Tremblant Village, often dubbed as the "Eastern Little Banff," a colorful and fairytale-like mountain village. Strolling along the cobblestone streets, immerse yourself in the French-inspired resort ambiance: restaurants, bars, cafes, souvenir shops, gourmet delicacies, and scenic views await, allowing you to fully indulge in the lively and vibrant atmosphere of this tranquil town while relishing a rare sense of leisure. Mont-Tremblant offers enchanting scenery in every season: admire flowers in spring, enjoy outdoor activities in summer, witness the maple leaves' splendor in autumn, and experience skiing in winter, making it a year-round destination.

Visitors can take a complimentary gondola ride to the midway amusement center, where a stand-up sightseeing gondola slowly ascends, passing over fountains and offering panoramic views of the vibrant houses of the resort, placing the entire mountain village at your feet. Upon reaching the midway station, visitors can choose to transfer to a paid scenic cable car (\$) to reach the highest peak of the Laurentian Mountains—Camel's Hump. Standing at the 3,000-foot summit provides an unparalleled panoramic view of the surrounding mountains, and picturesque landscapes, presenting a truly breathtaking vista. The Mont-Tremblant village lies Georgian Bay, where water is drinkable. Visitors can embark on a charter boat cruise (\$) on Georgian Bay: mountain streams, shimmering lake waters, misty clouds, and vibrant colors; these captivating scenic views make for an unforgettable experience (boat tours subject to seasonal arrangements).

In the evening, check into the hotel at Mont-Tremblant Resort, where you can fully enjoy the tranquility and serenity of the mountains, completely relax, and forget all worries.

Day 2 Mont Tremblant - Toronto

Departure from Mont-Tremblant Village in the morning to visit the largest wildlife park in Quebec, where the chorus of wolves and the graceful deer create a symphony within the natural realm, allowing visitors to personally feed and interact with the animals, adding a delightful touch of fun!

Next, journey to Ottawa to explore the Ottawa Tulip Festival. This annual series of grand events held in the Canadian capital since 1953 takes place every May, evolving into a festival filled with joy and unique cultural experiences. Throughout the festival, millions of tulips compete in brilliant displays across the city, celebrating the arrival of spring with visitors from around the world!

The final stop of the itinerary takes us to a popular destination favored by Toronto residents, the "Big Apple," located approximately 120 kilometers east of Toronto amid an apple orchard. Operating for over 50 years, the Big Apple features a wide range of apple-themed products. During summer weekends, families from Toronto drive here to enjoy the playground and purchase a variety of apple products, spending a delightful weekend. In autumn, children also love to come here for apple picking.

In the afternoon, return to Toronto, concluding the two days of leisure and enjoyment.
