### Day 1 Toronto - Montreal

In the morning, depart from Toronto and head to the city of Montreal, the second-largest city in Canada. Visit La Grande Roue, the Ferris wheel of Montreal. Explore the charm of the city by first visiting this popular tourist attraction. As the tallest observation Ferris wheel in Canada, it stands at 60 meters high and has become one of the famous landmarks of Montreal since its opening in 2017. The Ferris wheel has 42 observation cabins, each accommodating 8 people, equipped with air conditioning, heating systems, and UV-resistant glass. Visitors can enjoy the beautiful views of downtown Montreal and the Saint Lawrence River in a comfortable environment. The panoramic view extends 28 kilometers, offering a unique sightseeing experience—Jacques-Cartier Square, downtown Montreal, the historic Old Town, Olympic Stadium, Mount Royal, Saint Lawrence River, Saint Helen's Island, and the Montreal Archipelago, where you can see the remarkable architecture left by the 1967 World Expo, now a permanent memory, marveling at the city's glorious past!

Experience the Notre-Dame Aura Light Show at Notre-Dame Basilica. Built in 1829, Notre-Dame Basilica of Montreal is the largest and oldest basilica in North America, with a history of 194 years. At this place steeped in history, the light show uses modern technology and music to present the magnificence and brilliance of the basilica, offering a breathtaking visual and auditory experience. The light show consists of many scenes, each creating a different atmosphere, including the history, art, and architectural features of the basilica. It is an interactive light show based on modern technology, where the audience can freely move around and interact with the content of the show, experiencing the intersection of modern technology and ancient culture, providing a unique cultural journey.

Check into a hotel in downtown Montreal in the evening, where you can enjoy the beautiful night scenery and bustling atmosphere of the city, experiencing the charm of Canada's second-largest city, which blends European ancient culture with North American modernity.

### Day 2 Montreal – Ottawa - Toronto

Visit St. Albert Cheese Factory, a renowned cheese factory located in St. Albert, Ontario, known for producing high-quality cheese. Established in 1894, the factory has a history of 129 years and is one of the oldest cheese factories in Canada. The cheese produced by the factory is highly praised for its natural ingredients and unique taste, with the most popular products including cheddar cheese, mozzarella cheese, cheese curds, and butter. In addition to providing quality products, St. Albert Cheese Factory also offers visitors the opportunity for sightseeing. Visitors can learn about the cheese production process and history, taste freshly baked cheese, and purchase fresh cheese and other local products at the factory's shop. St. Albert Cheese Factory is a place worth visiting. With its long history and high-quality products, it is indeed a must-visit place for those who want to learn about Canadian history, culture, and taste local specialties.

Then go to Ottawa, the capital of Canada, to visit the Ottawa Tulip Festival. This is an annual series of grand events held in the Canadian capital, with its origins tracing back to the deep friendship established between Canada and the Kingdom of the Netherlands during World War II, as the guide will explain to you. The Ottawa Tulip Festival started in 1953 and has been held every May since then. It has developed into a festival full of joy and unique cultural experiences. During the festival, millions of tulips bloom across the city, creating a sea of tulips everywhere. Let's celebrate the arrival of spring together!
