And try new tea with new fire, Aurora takes advantage of the time. whether in the warm Comfortable in the camp or on the way to chase the light, the photography guide will provide you with an unlimited number of aurora shots.
**(The tour guide will take back the winter clothes of the 3 days and 2 nights group guests)

Days 3. Yellowknife - (free and easy)- Aurora viewing.

Good places for free activities: the corridors of the tribal flags next to the museum, the trail along the Frame Lake, and the diamond center to watch the polished diamonds. Food recommendation: Gold Range's hot and sour soup is very tasty. In the early years, I welcomed the Queen in person. I specially made long spring rolls, and the shrimp meat is very good. Free or optional activities in winter: Ice fishing, dog sledding, snowmobile Optional in autumn: rafting fishing, waterfall foot trip The third aurora exploration, take pictures if you can, take pictures if you want. If you want to dazzle, you must dazzle. After leaving the Yellow Knife, no matter how good your camera and technology are, you will not be able to capture your appearance under the aurora. Every night there will be two kinds of experience: camp + light chasing. The light chasing will stop by the lakeside forests, but they will wait in the car. Guests who don't like light chasing can also choose to stay in the camp and wait for the aurora.
