Every fall, a large number of nature lovers visit this most famous sacred place in Ontario, and autumn is the best time to visit here. The last week of September to the beginning of October is the best time to view the fall color. The autumn leaves of larch and red oak also reach their peak, blooming their own enchanting beauty. Dorset Lookout Tower is an important stop for the lake and bay scenery. The observation deck was built in 1922 and is 142 meters high (about 5 stories high).
