#### DAY 5 South Rim Grand Canyon -East Rim Grand Canyon-Horseshoe Bend - Page

Welcome to Arizona, known as the Grand Canyon state and originally part of the Spaniard and Mexican territories, received its statehood in 1912! Let us begin and see what we will get to explore today and what this gorgeous state must truly offer! We will take a helicopter ride across the Grand Canyon. Following, we will explore the South and East Rim of the Grand Canyon! Finally, we will visit the magnificent Horseshoe Bend and then head over to Page, AZ.

Grand Canyon National Park

Grand Canyon National Park, located in northwestern Arizona, is the 15th site in the United States to have been named as a national park. The park's central feature is the Grand Canyon, a gorge of the Colorado River, which is often considered one of the Wonders of the World. The park, which covers 1,217,262 acres of unincorporated area in Coconino and Mohave counties, received more than six million recreational visitors in 2017, which is the second highest count of all American national parks after Great Smoky Mountains National Park. The Grand Canyon was designated a World Heritage Site by UNESCO in 1979.

#### Horseshoe Bend

Horseshoe Bend has been featured as a landmark for Glen Canyon National Recreation Area, Grand Canyon National Park, the Cities of Page AZ, Kanab UT, St George UT, and the Navajo Nation. Boundary lines are very close in some places. About nine miles downstream is where Grand Canyon National Park begins. A social media darling, Horseshoe Bend has become one of the most recognized and visited places in Glen Canyon National Recreation Area.

#### DAY 6 Lower Antelope Canyon-Lake Powell-Las Vegas

Antelope Canyon is one of the top ten sites in all of the world for photography! It consists of the upper and lower canyons; the upper canyon is the Navajo word for "water through the rocks" and lower canyon means "arch-shaped spiral rock." In here, visitors are always amazed by this wavy canyon rock formation! It is a true natural beauty! Enjoy a scenic ride on the Colorado Plateau towards Lake Powell National Recreation Area or take a boat tour on America's second largest man-made lake - Lake Powell, surrounded by 96 side canyons!

Lower Antelope Canyon

Lower Antelope Canyon is a slot canyon in the American Southwest, on Navajo land east of Page, Arizona. Upon arrival at the Lower Antelope Canyon, you will come off the truck and step into the desert and enter an amazing fantasy world. The tour guides will explain some geology, culture, history and insights. Walking through the sandstone walls of the Lower Antelope Canyon you will discover the magical world and immerse yourself in the tour.

Lake Powell

Lake Powell is located in northern Arizona and stretches up into southern Utah. It's part of the Colorado River in Glen Canyon National Recreation Area. With nearly 2,000 miles of shoreline, endless sunshine, warm water, perfect weather, and some of the most spectacular scenery in the west, Lake Powell is the ultimate playground.
