DAY 2 Los Angeles - Las Vegas - St. George

In the morning we will travel along Interstate 15 freeway, passing through the largest desert in North America: Mojave Desert. We will visit the Seven Magic Mountains. In the afternoon we will stop by Las Vegas to take a quick break and then head towards St. George. Stay overnight in St. George.

Seven Magic Mountains: Renowned Swiss artist Ugo Rondinone's colorful large-scale, public artwork Seven Magic Mountains is a two-year exhibition located in the desert outside of Las Vegas, Nevada, featuring seven thirty to thirty-five-foot high dayglow totems comprised of painted, locally-sourced boulders.

Mojave Desert: Largest desert in North America, crossing four states. On the way you will see the unique Joshua trees as well as the Pacific Railroad serving as the economic vein that connects the East Coast to the West Coast. You will also pass by the mysterious "Ghost Town" during the Gold Rush era and the world's largest solar electric power plant invested by Google.

St. George: The crossroad of Colorado Plateau and Mojave Desert, St. George is popular for winter vacation getaways and also an important stop before continue on into Utah.

Hotel: Comfort Inn & Suite or Similar

DAY 3 Glen Canyon Dam-Antelope Canyon- Horseshoe Bend-SLC

Colorado Plateau: The only desert plateau in the United States. After years of erosion from the Colorado River, some of the most stunning nature sceneries had formed here. Red Rocks, arches and mesas decorate this vase landscape with their brilliant colors.

Glen Canyon Dam, Lake Powell (PASS BY) : Lake Powell is the second largest artificial water reservoir in the U.S. and it also marks the starting point of the Grand Canyon. See the depth of the Lake Powell as we travel across the Glen Canyon Dam.

Antelope Canyon: One of the most recognizable and famous natural landscapes in the world and a must see for photography enthusiast. Millions of years of flash flood and natural erosion gifted us these slot canyons, with their smooth wavy curves and gorgeous colors from the sand sandstone, it truly is a wonder of nature.

Horseshoe Bend: Carved by the Colorado River, you can witness the water slowly flowing pass underneath your feet in this horse shoe shape bay as you stand above it on the edge of the cliff.

Hotel: Ramada Inn SLC or Similar

DAY 4 Yellowstone NP-West Yellowstone

In the morning after we left hotel, will all the way head to the first national park in the world-Yellowstone National Park. We will ten of Yellowstone's unique scenery over the spans of 2 days, such as Old Faithful, Grand Prismatic Spring and Fountain Paint Pot, Fountain Hiking trail, Morning Glory pool and so on. Spend the night in West Yellowstone.

Yellowstone National Park: the very first national park in the whole world, Yellowstone attracted countless visitors over the year with its unique geothermal activities and fascinating wild life. You will find all four different kinds of geothermal activities, geyser, hot spring, fumaroles and mud pot as we take you travel through the park.

Fountain Paint Pot: walking along this trail will provide you a great view of the light pink color mud pot with its constantly boiling mud bubbles and the fumaroles nearby.

Grand Prismatic Spring: the third largest hot spring in the world, it's the most renowned hot spring in the national park. Setting foot into the area will surround you with steam and allowing you an up-close view of the brilliant colors inside the hot spring.

Old Faithful Geyser: the most famous landmark inside Yellowstone, it's also the logo of the national park. Erupting roughly every 91 minutes no matter the weather, this is a must see when you are inside Yellowstone.

Morning Glory Pool: It has always been a favorite of park visitors. One early account raved: "It is precisely like a morning glory flower. Its long and slender throat, like the tube of the blossom, reaching from unknown depths below, branches out in ever-widening snowy walls, forming at last a perfectly symmetrical and exquisite chalice, which is filled with water of the loveliest, clearest, robin's egg blue."

Old Faithful Inn: As a national historic landmark, Old Faithful Inn is the most requested lodging facility in the park. Built in 1903-1904 with local logs and stone, the Inn is considered the largest log structure in the world. The towering lobby features a massive stone fireplace and a hand-crafted clock made of copper, wood and wrought iron serving as focal points.

Morning Glory Pool Trail: Discover more must-see attractions on the 'Natural Wonders'. This is an easy 1.4 mile (2.8 miles round trip) paved trail in the Upper Geyser Basin that passes by some of biggest geysers in the Upper Geyser Basin, coming to an end Morning Glory Pool. Castle, Grotto, and Riverside geysers are among the main features you'll see along the way.

West Yellowstone: A small town just outside west gate of Yellowstone National Park. Best location attracted more visitors to come here and stay there overnight. There a lot of gift stories, restaurants that you can have a wonderful Yellowstone style diner.

Hotel: Yellowstone County inn, White Buffalo, Dude & Roundup or Similar

DAY 5 Yellowstone NP-Grand Teton NP-Jackson- SLC

In the morning, we will continue our tour inside Yellowstone National Park, visiting Norris Basin, Yellowstone Canyon, Yellowstone Fall, Mud Volcano and Yellowstone Lake. We will exit the park after lakeside lunch and get into Grand Teton National Park to see amazing Mountain View, and after that continue heading to the famous small-town Jackson. Stay overnight in Salt Lake City later on.

Norris Basin: this is the most concentrated location of geothermal activities in Yellowstone National Park. While walking on the trail in this steamy fairyland, you'll be treated to a great view of all the hot springs along the way.

Yellowstone Canyon: see the canyon in all its colorful glory. The rock walls of the cliff were painted yellow by long years exposure to the sulfur content from the surrounding thermal, thus the Yellowstone. We will view the Canyon from the Artist Point viewing area, one of the best views for this location.

Yellowstone Waterfall: you might see the waterfall from afar along the way, but we'll take you one step closer and give you a view right next to the waterfall to experience in person its power.

Mud Volcano: one of the highest concentrations of onus pots in the national park. See the Mud Cauldron, Dragon mouth spring and Mud Volcano along with a chance of seeing some wild life in the area.

Yellowstone Lake: this is the highest altitude volcanic lake in North America. You can enjoy the lakeside lunch over there.

Hayden Valley is a large, sub-alpine valley in Yellowstone National Park straddling the Yellowstone River between Yellowstone Falls and Yellowstone Lake. The valley floor along the river is an ancient lake bed from a time when Yellowstone Lake was much larger. The valley is well known as one of the best locations to view wildlife in Yellowstone.

Fishing Bridge: The original bridge was built in 1902. The Fishing Bridge was historically a tremendously popular place to fish. Angling from the bridge was quite good, due to the fact that it was a major spawning area for cutthroat trout. It finally became to the best place to observe the Yellowstone Trout. Usually the trout will spawn in this area and jumping out the water during the summer time.

Grand Teton National Park: one of the most beautiful national park around with its snow-covered mountain peaks year-round and wide range of wild life ecosystem. It even attracted great writer Ernest Hemingway to fall in love with this place and had been the backdrop for countless Western movies.

Jackson, WY: famous frontier town, located right at the crossing of Grand Teton and Rocky Mountains, it became a heaven for outdoors sports enthusiast. It is also the third largest artwork exchange location in the world and a popular vacation destination for the wealthy. The widely praised Elk Antler Arches Park, with its four arches made with thousands of elk antlers is a must see.

Hotel: Comfort Inn Layton, Ramada Inn North Temple or Similar

DAY 6 Salt Lake City - Las Vegas

In the morning we will see the State Capitol building, Temple Square of Mormon Church and the Great Salt Lake. Utah State Capitol: the governor's office is located inside of this building. Sitting on top of the Capitol Hill in Salt Lake City, this building gives you a full view of the city that surrounds it. It is also the icon of the most famous historic landmark of the state.

Temple Square of Mormon Church: this is the headquarter of the Mormon Church and its 15 million followers around the world. It's the center of Mormon history and the location of the famous Salt Lake Temple.

Great Salt Lake: Western Hemisphere's largest saltwater lake, also North America's largest inland salt lake. The lake is more than six times the salinity of seawater, thus known as "Dead Sea of America". Krill is a unique creature growing inside of the Great Salt Lake.

Las Vegas Night Tour: Entire trip will be lead by our tour guide. You will visit Venetian Hotel & Casino's indoor "sky dome", San Marcos Square, and man-made water canals. Next you will view the "volcano eruption" show in front of Mirage Hotel & Casino. Next you will watch the giant music fountain in front of the Bellagio and admire the world's largest glassworks. Walking through the famous LINQ Commercial Street, tasting a variety of local snacks along the way, and finally arrived in the world's highest High Roller. Entire night tour lasts four hours.
